DATE: May 12th, 1990      TIME: 2:00 p.m.

PLACE: Fellowship Room, Church Army premises, 397 Brunswick, Toronto.  
Parking at rear; by subway - to Spadina, exit on Bloor St., walk west to

The 10th Annual Meeting & Spring Tea will this year be held at our former meeting place in Toronto. In addition to this change, please note the later (than usual) date.

The Board has planned a very special afternoon, this year being the Society's 10th Anniversary. From Plimoth Plantation we have purchased the video tape, "Plimoth Plantation", endorsed by the Education Committee of the General Society. Come and spend a day with your ancestors! The film depicts every aspect of daily Pilgrim life and of special interest are the interviews with the actors who discuss the Pilgrims they portray. Sounds fascinating, doesn't it?

Refreshments will be served following the film. We look forward to seeing you!

FROM THE GOVERNOR

Our Annual Dinner Meeting in November was a very successful and enjoyable event. We met at the Plaza II Hotel in Toronto and sat down to a delicious meal of turkey with all the "fixins".

We were indeed fortunate to have Mr. Ian Wilson, Chief Archivist of Ontario, as our guest speaker. A report of his address will be found elsewhere in this newsletter, but I would like to thank Leon Warmski for arranging for Mr. Wilson to be in attendance.

During the business meeting two new members were elected to the Board of Assistants. Allyn Dean is our new Treasurer replacing Margaret Owen who served very ably in that post for many years. Margaret has agreed to stay on the Board and has assumed the duties of Corresponding Secretary.

The second addition was Susan Roser who became a member-at-large. Susan is the Editor of the Canadian Pilgrim and everyone is familiar with the consistently good job she does with each issue. As a member of the Board she will continue with her editorial duties.

A General Congress of the General Society of Mayflower Descendants is held in Plymouth every three years. The next Congress will be from September 8-12, 1990. Any member of the General Society or of the Canadian Society is welcome to attend all or any part of the Congress.

Fall is a nice time of the year in New England. Perhaps some of you might consider arranging your vacation this year during September so that you can be there. My wife and I plan to attend and there will be other members of the Board making the trip as well. Please consider joining us.

## FALL BANQUET REPORT

The Annual Meeting and Compact Dinner was held 18 November 1989 at the Plaza II Hotel in Toronto, with approximately 35 members and friends present.

In the first matter of business, members present passed the amended by-laws as stated in the letter circulated on 30 October 1989, thereby taking our Society one step closer to becoming incorporated as a charitable organization.

Chairman of the Nominating Committee, Leon Warmski, read the committee's report, followed by the election of officers. The following will serve a three year term: Treasurer, Allyn Dean; Captain, Kate Berscht; Historian, Arthur Harris; Corresponding Secretary, Margaret Owen. Our Editor, Susan Roser, also "officially" joined the Board as member-at-large.

Following the traditional turkey dinner, Leon Warmski introduced our guest speaker for the evening, Mr. Ian Wilson, Archivist of Ontario. Mr. Wilson gave a very interesting talk on the importance of the Archives. It is not a "dry dusty catacomb" but a storehouse of original historical information. He pointed out we are sitting on a great treasure whose full potential is barely scratched. The Archives preserves records of everyday life in Canada with approximately 132,000 cu. feet of files and documents to which additions are constantly being made. Among others, records include maps, drawings, diaries, photographs, wills, land records, Eaton catalogues, letters, etc. Mr. Wilson observed that although we try to protect historical buildings from being demolished, we often as not forget to protect the documents which might be lost in the attics of the condemned buildings. He gave an example of a building in Kingston, once the residence of a photographer. Upon exploration of the attic they found glass plate negatives of pictures of Kingston residents, all labeled and identified. In a similar case in another building were found architectural drawings of many Kingston buildings. Mr. Wilson then posed the question as to which was a higher priority, to preserve one building or the architectural drawings of many? The talk ended with a hope that someday towns, counties and cities would understand the necessity of creating and preserving their records and support the creation of archives to preserve these local records. All of these small, local archives could be linked by computer to enable them to be accessible to a greater number of people. In this way the Archives would gain the recognition and respect it deserves.

## Library

Historian Arthur Harris has made the following editions to our Library. The books were presented to the Library by Deputy Gov. Marshall Dean.

2. Early Coburg, by Percy L. Chino, 1985
3. Coburg, 1798-1948, By Edwin C. Guillet, 1948
4. Taunton Mass., A Directory of Descendants, Old Colony Historical Society, 1989
5. New England's Victory at Louisburg, 1745, by Rev. Samuel Niles
6. The Canadian Heraldic Authority, Rideau Hall, Ottawa, 1988

## PUBLICITY VOLUNTEERS NEEDED

The Society would like to organize a Public Relations Committee to promote the publicity of our Society. Ideally, we would like to include a member from each province who would be responsible for public relations in their province. Duties would include the distribution of Society pamphlets to genealogical societies and libraries in your province and contacting newspapers to print an item to inform others of our Society. Information and literature as well as assistance in developing ideas will be provided. Each

member will be expected to submit an annual report to the Committee Chairman detailing their progress, which in turn, will be printed in the Newsletter. This is an excellent opportunity for those who, because of distance, are not able to be involved with the administration of the Society. This is a project that cannot be carried out by one person in Ontario, we need the help of members across Canada. If you would like to serve on the committee, or serve as Chairman, please write the Editor. Until the position has been filled, Susan Roser will act as Publicity Chairman.

## Dues

A reminder to those who have not already done so, 1990 membership dues are overdue. Please send your payment of \$17.50 to our new Treasurer.

## Book reviews

**FOR LOVE OF THE SEA: The Autobiography of Captain Robert H. Worthen**  
as told to Marian L. Worthen

Robert Worthen was one of the last of the old-time Nova Scotia sea captains who regarded their ships as living, vibrant personalities and who saw the challenge of the sea as the highest adventure. He began his adventure as a boy in sail, inevitably transferring his affections to steam, and ending his career as a top marine executive of the Canadian National Railways. It was a career that reflected the struggles - and the joys - of Coasting Captains "all along shore."

**FOR LOVE OF THE SEA** is a sensitive account of a man and his ships during the first fifty years of this century. While still a cabin boy he sailed with a "Jonah" on a schooner; World War I put him on a "wood boat" instead of a destroyer; he saluted Lindbergh and the **SPIRIT OF ST. LOUIS** from the bridge of a steamer and quelled a mob on a palatial yacht. He tells the inside story of the trauma of the **M.V. BLUENOSE**. And all that the sea has taught him culminates in an unusual rescue.

**FOR LOVE OF THE SEA** is a book of recollections for many Nova Scotians; illustrated with numerous photographs, it will interest anyone who savours the romance of ships and the sea.

(Editor's Note: Marian is a charter member of our Society and resides in Barrington Passage, N.S. I am sure many of our members and friends with Maritime roots will find this book fascinating. I myself have ordered a copy for my father who, although he now resides in Ontario, is a Cape Bretoner who comes from a long line of sea captains. A great gift idea and very reasonably priced at \$7.95. Orders may be placed through major bookstores or from Lancelot Press, Hantsport, N.S.)

Thousands of terms, many unfamiliar and obsolete, which a genealogist may come across in researching old records, are defined here. The words found in this guide are those you may come across in apprenticeship, church, census, tax, land, naturalization, immigration, and medical records, as well as in deeds, probates, civil registrations, and poll books, and have been collected by the authors over years of research.

Examples: grimgribber (lawyer); window peeper (local tax assessor); timwhiskey (light, one horse carriage with no top); window tax (tax begun in 1696 in England, which increased with number of windows in one's house; tallyman (person who sells goods on credit and is paid by installments); putrid fever (typhus fever or diphtheria).

The author tells you what you need to know before beginning your search, as well as how to find this information. Then, in a step-by-step process, you are led to the sources themselves. Passenger lists, indexes, catalogs, etc., are described in detail; included is a select bibliography. The time period covered is for ships arriving between 1565 - 1954.

### AUTHENTICITY A PRIORITY AT PLIMOTH PLANTATION

The Florida Newsletter tells us that Dr. Jeremy Bangs takes his job very seriously as Curator of Plimoth Plantation. An intensive study of 17th century architecture convinced Dr. Bangs that the village houses were inaccurately constructed. Hand-riven oak siding, insulated with mud and clay, form the framework of the new houses. Timber framed chimneys have been installed and windows and doors reshaped. Planks were sawn by the pit method where one man is in a pit and another above.

This year marks the 10th Anniversary of the founding of the Canadian Society of Mayflower Descendants. Our "Founding Father" was Rev. J.S. McGivern who, with 29 charter members, formed our Society in 1980. We will be featuring our first 10 years in the fall issue, but we would now like to honor these charter members (some of whom are no longer with us) and thank them for giving us our "beginnings".
